**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Ever since I moved from AT&T to sonic.net that runs over the same AT&T copper wires, my internet speed is twice as fast, the customer service is better and the price is lower. I live in urban San Francisco.

Keeping this competition with local carriers is essential for services to the home where you have limited service providers.
